SECOND AMENDMENT

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON D C 20231

Dear Sir/Madam:

In response to the Office Action mailed May 13, 2002, please amend the above identified application as follows:

In the specification:

Pages 41, 47, 49, 51, 58 71 and 80 have errors in a part number, and one page has an omitted parenthetical. Replacement pages are attached, along with pages marked to show the changes.

In the Claims:

1. (Once Amended) A vibratory apparatus for moving a driven element, comprising:

a vibration source that converts electrical energy directly into physical motion, and a resonator having an opening defined by at least two opposing sidewalls which are
